What differentiates PBJ from other rescues?

About Us, cont.

We emphasize the **people part** of the rescue equation as much as we do the **animal part**

$$\text{People} + \text{Pets} = \text{Joy}$$

- **Community Service for Youth**
 - Mentoring our future volunteers, philanthropists, and non-profit entrepreneurs
- **Fuzzies for Seniors**
 - Assisting senior citizens with acquiring and caring for pet companions
- **Owner Assistance Program**
 - Providing support when pet owners face difficult life situations involving giving up pets

Team With Us

- We're creating a brand to show our commitment to community service
- We'd love to team with like-minded businesses – ***the benefits are many!***

- We have several ideas on how we can join forces for a **win – win – win** for your business, PBJ, and the community as a whole
